Optivest

Optivest has the infrastructure and experience to support SACU members with any query regarding their medical aid. Optivest has 60 full time staff manning their Call Centre, with additional field staff.

Optivest has the infrastructure and experience to support SACU members with any query regarding their medical aid. Optivest has 60 full time staff manning their Call Centre, with additional field staff.

SACU also concluded a special Gap Cover for their members at a reduced rate. The Gap Cover for SACU members will be **R90, 00 per family**. This Gap Cover will cover you at **500% (5 times)** the medical scheme rate less payment for treatment received for services rendered by doctors and/or specialist while **hospitalized as and in patient**. In Addition to this you can also take the Copay Cover with the Gap Cover for an additional **R60,00 per family** this will cover you in the event of any copayments (the excesses imposed by your medical scheme) for procedures performed while you are an inpatient or an outpatient, including MRI, CT and Ultrasound Scans.

All brochures and application forms can be found on the SACU website www.saku.co.za under the "Optivest" tab

SACU Products

Our Mission is too collectively:

Provide a professional labour-relations service to our members.

Enable our members to fulfill their rightful roles in the workplace and society.

Manage and market our organisation professionally, skillfully and competently.

Represent labour in the communications and information technology related industries.

We envisage being the main custodians of employee rights and interests in the Communications and Information Technology related industries of South Africa through the provision of professional services in labour relations. Education, training, representation and communication
